understands that it is an unlawful discriminatory practice in the District of Columbia, subject to exemptions in Section 1-2520(b) of the District of Columbia Code (1981 ed.) for any educational institution:

(1) To deny, restrict, or to abridge or condition the use of, or access to, any of its facilities and services to any person otherwise qualified, wholly or partially, for a discriminatory reason, based upon the race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, family responsibilities, political affiliation, source of income or physical handicap of any individual; or

Further, it is understood that Section 1-2522 requires every educational institution to post and keep posted in a conspicuous location where business or activity is customarily conducted or negotiated, a notice whose language and form has been prepared by the Office of Human Rights, setting forth excerpts from or summaries of, the pertinent provisions of the law and information pertinent to the filing of a complaint.
